

FOX LANE & DISTRICT RESIDENTS ASSOCIATION LIST OF TRADESPEOPLE (January 2016)

Please note that this list represents tradespeople who have carried out work in the homes of members of the Association to their satisfaction, however, the Residents' Association cannot be held responsible for any unsatisfactory work that is carried out.

You should also take the opportunity to ask tradesmen if they are members of the Enfield Council's Building Confidence scheme. To request a list of contractors on the Scheme, call 020 8379 3723; the list is updated every 3 months.

First Stop Maintenance Directory run by Business Innovation Centre requires traders registered with them to have City & Guilds or NVQs affiliated to governing bodies such as Gas Safe and that they have public liability insurance. Tel. 0800 056 1000.

PLEASE NOTE

You will see that there are no addresses for traders entered on this list. Should you want a more detailed list, please contact us via the website. Where a mobile phone number only is given, you may wish to check further details with these tradespeople.

IF YOU DO USE SOMEONE AND FIND THAT THEIR WORK IS UNSATISFACTORY, PLEASE ADVISE US AS SOON AS POSSIBLE.
