

22nd November 2017

Dear Resident/Neighbour,

INVITATION TO VIEW PROPOSALS FOR THE DEVELOPMENT OF BOWES ROAD

Following on from previous local consultation in November 2016, I write to invite you to come and find out more about Notting Hill Housing's proposal for the above site (approximately outlined in red and adjacent to Ritz Parade).

An exhibition will take place on **Wednesday 29th November and on Thursday 30th November between 4pm and 8pm, at the Trinity at Bowes Methodist Church, Palmerston Road, N22 8RA**. Plans will be available and the development team will be present to answer any questions you may have and importantly take on board any suggestions.

This is a good opportunity for local residents and businesses to view the plans for the proposed development and give further feedback prior to a planning application being submitted to the London Borough of Enfield.

If you cannot make the exhibition, you can find out more by contacting Lee Jameson at Polity on **0207 242 0170** or by emailing **lee@polityuk.com**

I do hope that you will be able to make the session next Wednesday or Thursday.

Yours sincerely,

D.Lennon

Danielle Lennon
Planning Manager
